

You can change the life stories of a vulnerable child or girl by joining our Mother's Choice **Monthly Giving Program.**

Every year, we receive around 25% of funding from the Hong Kong government. We rely on individuals just like you to help us raise the remaining 75% of critical funds needed to keep our organization running.

**GIFT OF LOVE \$188**

Children in our Child Care Home receive highly individualized care on a daily basis, including regular outings and visits to support their social, emotional and physical health, and development.

A monthly gift of HKD188 enables one child in our Child Care Home to receive happy childhood experiences and memories.

**GIFT OF SECURITY \$300**

Pregnant teens who come to Mother's Choice have travelled a hard road and their decision to seek safe shelter and care can be life-changing for them.

A monthly gift of HKD300 protects the health of a pregnant teen and her baby with prenatal classes.

**GIFT OF FAMILY \$500**

Our Child Care Home is one way that we provide loving, temporary care to children waiting for families.

A monthly gift of HKD500 can cover the cost of one day's food for the toddlers living in our Child Care Home.

**GIFT OF HOPE \$1,000**

Access to early intervention, especially in the first 1,000 days, is critical to helping each child reach their fullest potential.

A monthly gift of HKD1,000 can cover the cost of 2 hours of personalized therapy for one child.
